Verse 1

Why didn't I ask?
Why didn't I say a word,
when I needed you?

Why did I keep quiet?
Why did I remain silent,
when I needed you?

Chorus

It is time to go
the time is stopping the flow
when I'm thinking of you

Postchorus
Mommy ...

Verse 2

Why didn't you ask?
Why didn't you say a word,
when you needed me?

Why did you keep quiet?
Why did you remain silent,
when you needed me?

Chorus

It is time to go
the time is stopping the flow
when I'm thinking of you

It is time to go
the time is stopping the flow
when I'm thinking of you

Postchorus
Mommy ...

Bridge

Why didn't I ask?
Why didn't I say a word?
I don't stay quiet any longer
I will say what I want

Chorus

Because it's time for me to go
and to fulfill my dreams to grow
and when I keep thinking of you

I gotta move on
immer weiter gehn
weiter weiter
weiter gehn

Denn es ist Zeit für mich zu geh'n
und meine Träume einzustehn
auch wenn ich an Dich denke

muss ich weiter gehn
immer weiter gehn
weiter weiter
weiter gehn

Ich muss weiter gehn
immer weiter gehn
weiter weiter
weiter gehn

Ich muss weiter gehn
immer weiter gehn
weiter weiter
weiter gehn

Outro

Ich muss weiter gehn
immer weiter gehn
bis eines Tages
wir uns wiedersehen
Mama ...
